¹ In addition to Telecom Italia's direct 62% interest in Mediterranean Nautilus SA (as demonstrated in the ownership chart) Telecom Italia also has a 100% interest in Stet Intl, which in turn has an 8% interest in Mediterranean Nautilus SA. Because Stet Intl's interest in MN SA is less than 10%, it is not listed separately though because of it's relationship to a foreign carrier, it is being listed in the interest of full disclosure.
